Re: Historic Landmark Status of 822 W Willow St

Dear Cultural Heritage Commissioners,

We are pleased to write this letter in support of naming the building at 822 W Willow St a Historical Landmark. Our neighborhood already has a number of architecturally notable residential buildings, and this site in question would solidify Wrigley's place in architectural history by naming one of our *business* buildings a Historical Landmark by nature of its architect, Edward Killingsworth, and the design of the building itself.

Additionally, this designation would serve as a boon to our rapidly developing Willow St business corridor, giving our current and future business patrons yet another exciting stop on their stroll through Wrigley, and protecting it for future generations to enjoy.

We appreciate your thorough review of this site, and we ask that you vote in favor of naming 822 W Willow St a historical landmark.

Please reach out with any questions.

Warm regards,

Wrigley Association
